REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Claim 5 is allowed because the prior art of record when considered as a whole, alone or in combination, neither anticipates nor renders obvious a controller that controls the heat pump based on a first threshold, a second threshold higher than the first threshold, and at least an output from the tank temperature sensor, wherein the controller energizes the heat pump when the tank temperature sensor output falls below the first threshold, said controller causing the heat pump to de-energize when a temperature within the fluid heating system reaches the second threshold a tank inlet temperature sensor and a tank outlet temperature sensor, wherein the controller de-energizes the heat pump when an output from the tank outlet temperature sensor reaches the second threshold.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
